

# BEAD AND LOOP CLOSURE:

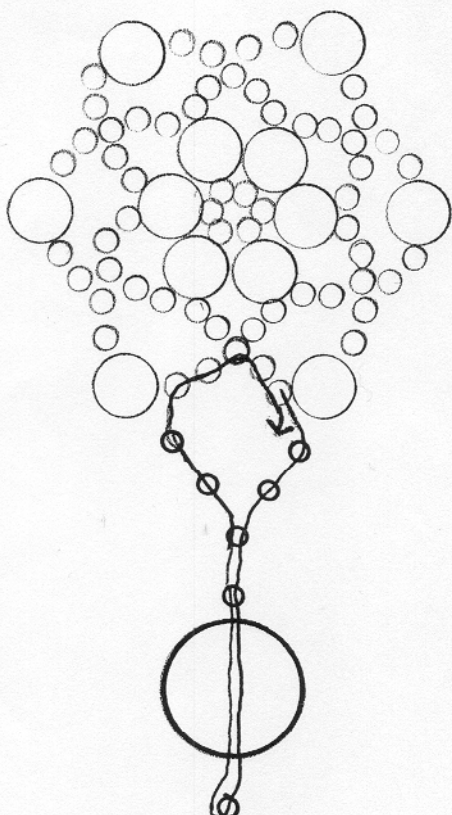

Step 1: With thread exiting the the body of work, (see diagram for location )  
 Bead

String: 4 - 11° sb, 1 - 6 mm bead, 1 - 11° sb.

PBT the 6 mm and 2 of the 11 - sb.

String: 2 - 11° sb

Pass through 5 - 11° sb in the rosette from the bottom to the top. Reinforce by repeating this step several times and then weaving thread into the rosette.

Step 2: With thread exiting the the body of work, (see diagram for location )  
 Loop

String: 4 - 11° sb, + 11 to 16 - 11° sb for loop.

Your loop must be large enough for the 6 mm bead to pass through snugly. Your loop will tighten and get smaller as you reinforce (and more thread is added)  
 Pass needle through 2 of the 11° sb first added.

String: 2 - 11° sb

Pass through 5 - 11° sb in the rosette from the bottom to the top. Reinforce by repeating this step several times and then weaving thread into the rosette.
