

ROSETTE WITHOUT JOINING CIRCLES

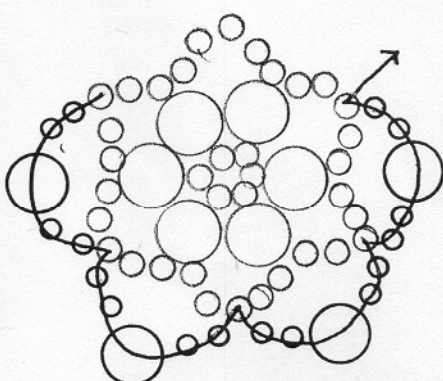

Step A: Complete one rosette (steps 1 through 5 - pages 2 and 3). Set aside.

Step B: For the second rosette (and all remaining rosettes), complete Steps 1 through 4 on page 2. Go on to Step C.

Step C: (Step C is in place of Step 5 on Page 3).

String: 2 - 11° sb, 1 - AB, 2 - 11° sb

Skip the next four 11° sb, then pass needle through the next 11° sb (center 11° sb in the loop formed in the previous steps). Repeat this THREE more times.

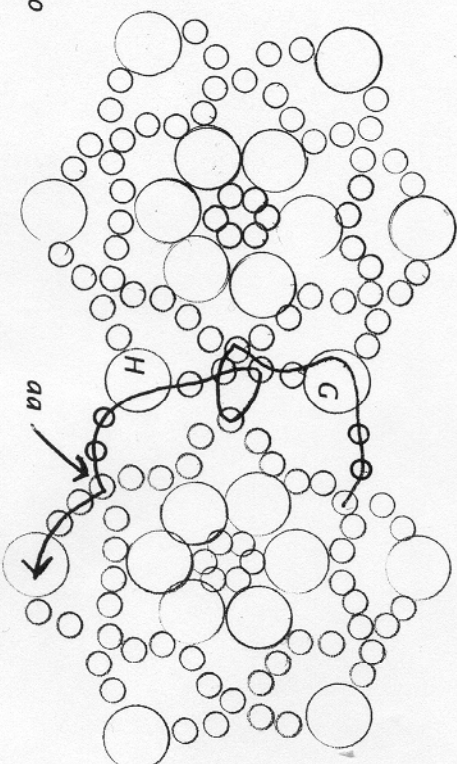

STEP C

Step D: **String:** 2 - 11° sb,

Pass thread through AB (G) in the first rosette completed in Step 1. Pass needle through the four size 11° sb below the AB (G). Pass needle (from bottom to top) through the center 11° sb (center in the set of five 11° sb) in the second rosette. Pass the needle through the second, third, fourth and fifth size 11° sb (in the completed rosette) and then through AB (H).

Step E: **String:** 2 - 11° sb,

Pass through the center 11° sb (aa) of the inside loop that was also the first 11° sb exited to begin the outside loops in Step 5. Reinforce by passing through all the beads added in Steps C through E on this page. Weave thread into the body of the rosette. Knot. Cut threads. Repeat Steps B through E to complete bracelet.

STEP D

A 7-1/4 inch bracelet (including clasp) requires approximately 90 size 6 sb.
